

Support our **Butt Savers** Program!

Salud's Butt Savers Program offsets the cost of **colonoscopies**,
NOW available in-clinic at the Longmont Salud clinic.

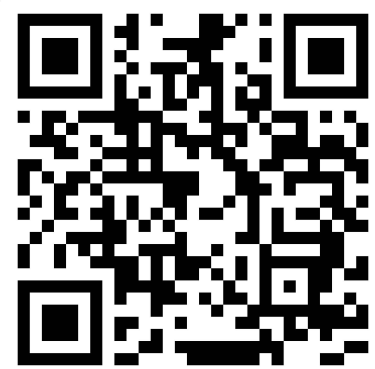

Colon cancer is the **third leading cause** of cancer deaths, but for every 60
colonoscopies performed, we can save one life!

As of November 2022, Salud has a **backlog of 1,400 patients** who need this
procedure but cannot afford to have it done outside of Salud.

Each colonoscopy costs **\$701**. Salud's sliding fee scale determines a patient's
contribution and Butt Saver funds cover the remaining cost, ensuring
colonoscopies are available to patients in need.

**Please consider making a
tax-deductible donation TODAY!**

Each donation can save a life!

Donations are accepted via check and credit card:

- **Checks (Butt Savers in the memo line) can be sent to:**

Attn: Buttsavers
Salud Family Health
203 S. Rollie Avenue
Fort Lupton, CO 80621

- **Credit card donations can be made online:**

Visit saludclinic.org and click on the "Make a Donation" tab.

Click on Colorado Gives, which will direct you to Salud's donation page.

Select "Butt Savers Fund" as the designation when completing your transaction.
