

Advanced Education in General Dentistry

A unique and exceptional program in concept and design, the **AEGD Program** is part of NYU Langone Dental Medicine Postdoctoral Residency Programs.

The AEGD Program advances a resident's skills in general dentistry and is fully accredited by the Commission on Dental Accreditation (CODA) of the American Dental Association (ADA). Residents are guided and mentored on-site by faculty members while performing procedures on ethnically and culturally diverse populations. Upon successful completion of the program, residents graduate as highly skilled and confident dental practitioners, fully equipped to meet the challenges of the complex world of modern dentistry.

PROGRAM BENEFITS INCLUDE

- Medical, dental, liability insurance
- Prescription plan
- PTO days
- Holidays
- Continuing Education
- Program stipend of \$52,500

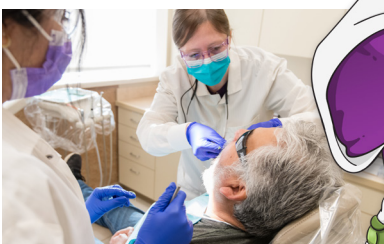

More details about the benefits can be found on the website nyulangonedental.org/aegd-stipends-and-benefits

Salud Family Health (Salud) is a Federally Qualified Health Center (FQHC) that provides affordable, quality, integrated healthcare services to over 67,000 patients each year. Salud's model of care is designed to improve the health of our communities and lower health care costs.

Salud accepts a total of 6 AEGD residents per year. Salud's Brighton clinic hosts 2 residents, the Commerce City clinic hosts 2 residents, and the Longmont clinic hosts 2 residents. Videos of Salud Family Health's clinics and the technology used (diode lasers, endo microscope, CBCT and digital scanners):
